ORDER SETTING BRIEFING SCHEDULE ON
REMAINING DISPUTED ITEMS IN ACTION PLAN

This matter came before the court for a telephone status conference on August 3, 2010, at which time the court was advised by counsel that settlement of this case has been reached covering all but three aspects of an action plan for implementation at the airport. Those remaining three items will be submitted to the court for decision. The settlement agreement will result in a dismissal of this case without prejudice pending completion of the work required by the action plan. The parties will brief their positions on the three aspects of the action plan still in dispute: 1) creation of a solid, accessible route to elevators from parking areas other than the moving walkway; 2) emergency refuge/egress; and 3) gate counter height. Plaintiffs' brief shall be filed on or before September 3, 2010; defendants' response by 30 days after plaintiff's brief is filed; and plaintiffs' reply within 7 days after defendants' response.
